

Finance Report for the year ending 31 May 2018

I am pleased to present my 8th and last BIAS Finance report

Once again it is a short report as there has been minimal activity on the finance side this year but there has been activity in other areas.

Membership income continues to fall but was mitigated by a profit on the boat trip to Fulham of £300 which offset last year loss on boat trips..

Administration costs were low this year, the main expenses being Survey monkey £299, contribution to the LGBT flag £50, and contribution to the stadium meeting re the change in planning permission £122. We continued our registration to abeec £25 but as requirements of registration have change considerable this year we have decide to no longer keep up the registration. The balance of expenditure has been on stationery and meeting expenses.

The result of all this is that we have ended the year with a surplus of £3846 and a bank/paypal balance of £20490 a very satisfactory balance.

Finally I would like to thank you all for the support and assistance you have given me ovr the past 8 years
